Dear Montgomery County Council,

I am writing in opposition of the Executive's proposal to increase the property tax rate. Property values have been increasing for many years now, and an increase in property value also increases the amount of property tax. Does this not yield enough additional revenue to cover the proposed school budget? The last thing hardworking families need during this time of inflation, layoffs, and wage stagnation is higher taxes. Please consider exploring other ways to achieve the school funding goal without raising taxes.

Thank you for your time and consideration.

Sincerely,

Terry Jones
